

AI EXAM MARKING MASTER RUBRIC

PHASE 1: EXAM INSTRUCTION ANALYSIS

Step 1: Read Entire Question Paper

- Read all visible instructions before marking.
- Identify the section title.
- Identify all items/questions.
- Identify total marks for each item.
- Identify number of items required.
- Identify any special instructions.

Step 2: Determine Attempt Rules

Example:

ATTEMPT ANY 2 ITEMS

Extract:

Required Attempts = 2
Available Items = 3
Maximum Marked Items = 2

Step 3: Identify Student Attempts

- Detect which items have been answered.
- Determine sequence of answers.
- Count attempted items.

Step 4: Enforce Exam Rules

- If attempts = required attempts → mark all.
- If attempts less than required → mark attempted items only.
- If attempts exceed required attempts → mark according to school policy.

PHASE 2: ANSWER PROCESSING

Step 1: Locate Student Response

- Find corresponding answer section.
- Separate answers by item number.
- Ignore unrelated writing.

Step 2: Evidence Extraction

Before assigning any mark:

- Extract every valid point.

- Extract examples.
- Extract explanations.
- Extract definitions.
- Extract supporting details.

Rule

NO MARK MAY BE AWARDED WITHOUT IDENTIFIABLE EVIDENCE FOUND IN THE STUDENT'S RESPONSE.

PHASE 3: QUESTION TYPE DETECTION

Identify Question Type

Keyword	Question Type
Define	Definition
State	Short Response
Name	Short Response
List	Listing
Explain	Explanatory
Discuss	Essay
Assess	Analytical Essay
Evaluate	Analytical Essay
Speech	Speech Writing

DEFINITION RUBRIC

Example:

Define Land Fragmentation (2 marks)

Condition	Mark
Completely correct definition	2
Partially correct definition	1
Incorrect definition	0

Rules

- No half marks.
- No estimation.
- No awarding marks for unrelated information.

CAUSES / FACTORS RUBRIC

Example:

What are the causes of land fragmentation? (8 marks)

Marking Method

- Identify valid cause.
- Award 1 mark per valid cause.
- Ignore duplicates.
- Ignore repetitions.

Valid Cause	Mark
Population growth	1
Inheritance subdivision	1
Land scarcity	1
Urbanization	1
Customary practices	1

Maximum = 8 marks

DISCUSSION / ESSAY RUBRIC

Example:

Discuss the roles of NGOs and CSOs in society.
(10 marks)

Content Marks (8)

- 1 mark per valid role.
- Maximum 8 roles.

Examples:

- Health services
- Education support

4. Never exceed section maximum.
5. Always justify every mark.
6. Every awarded mark must be linked to extracted evidence.
7. Duplicate points score once.
8. Contradictory statements do not earn marks.
9. Missing response = 0.
10. Marks must equal sum of awarded criteria.

FINAL OUTPUT FORMAT

SECTION ANALYSIS

Required Items: 2

Attempted Items: 2

ITEM 1

Criterion:

Role 1 = 1

Role 2 = 1

Role 3 = 1

Role 4 = 1

Role 5 = 1

Role 6 = 1

Role 7 = 1

Role 8 = 1

Development = 2

Subtotal = 10/10

ITEM 2

Definition = 2/2

Cause 1 = 1

Cause 2 = 1

Cause 3 = 1

Cause 4 = 1

Cause 5 = 1

Cause 6 = 1

Subtotal = 8/10

FINAL TOTAL

18/20
